City Hall

East Gary, Indiana

office of
LEO C. MEISTER

Dear Citizens and Friends of East Gary:

I take this opportunity to thank those of you in this area who contributed and supported this publication and made it a very successful venture enabling the EAST GARY POLICE ASSOCIATION to maintain and promote an increased campaign of traffic safety, and insure a high standard of law enforcement efficiency in the State of Indiana.

It would be most gracious of the citizens who receive these books to express their appreciation by patronizing the businesses that make this book possible.

Again my personal thanks to all you who are supporting our fine Association and building project.

Gratefully yours,
Leo C. Meister

A BRIEF HISTORY OF THE EAST GARY POLICE ASSOCIATION

The East Gary Police Association was organized on May 1, 1954, by a group of officers who were dissatisfied with the conditions of their employment and the lack of representation in their department.

The association was formed to protect the rights of its members and to improve their working conditions. It has since become a powerful force in the community, fighting for the rights of its members and the betterment of the city.

The association has been successful in many of its efforts, including the establishment of a pension plan and the improvement of the officers' salaries. It has also been instrumental in the development of the city's police department.

The East Gary Police Association is proud of its history and its achievements. It continues to work hard to protect the rights of its members and to improve the city of East Gary.

The association has a long and proud history, and it is proud to be a part of the community. It will continue to work hard to protect the rights of its members and to improve the city of East Gary.

The East Gary Police Association is a proud member of the International Association of Police Chiefs (IAPC) and the National Police Officers Association (NPOA). It is also a member of the Indiana Police Association (IPA).

The association has a strong relationship with the city of East Gary and its police department. It works closely with the department to improve the conditions of its officers and to better serve the community.

The East Gary Police Association is a proud member of the community and is committed to the betterment of the city. It will continue to work hard to protect the rights of its members and to improve the city of East Gary.

The association has a long and proud history, and it is proud to be a part of the community. It will continue to work hard to protect the rights of its members and to improve the city of East Gary.

WANT TO GO IN BUSINESS FOR YOURSELF?

If you cannot refrain from drinking, start a saloon in your own home. Be the only customer and you will not have to buy a license. Give your wife \$12.00 to buy a gallon of whisky. There are 128 snorts in a gallon. Buy all your drinks from your wife at 40 cents a snort and in four days when the gallon is gone, your wife will have \$49.20 to put in the bank and \$12.00 to start in again. If you live ten years and continue to buy all your booze from your wife, and then die with snakes in your boots, your wife will have \$35,750.40 on deposit, enough to bury you respectfully, bring up your children, buy a house, marry a DECENT MAN and forget she ever knew you.

HOW TO RUIN YOUR CHILDREN

Give the child everything he wants. In this way you will give him a living hell.

Laugh at him. This will make him think of you as a clown. Phrases that will blow off the top of your head later.

Never give him any spiritual training. Wait until he is 21 and then let him know that you are a hypocrite.

Avoid use of the word "wrong". It may develop a guilt complex. This will be evident when he is arrested for stealing a car, that society will call him a criminal.

Let him leave lying around - books, shoes, clothes. Do not let him be experienced to throwing all responsibility on you.

Let him see any printed matter he can get his hands on. Be careful that the newspapers and drinking glasses are sterilized but let his mind feast on garbage.

Quarrel frequently in the presence of your children. In this way, they will not be too shocked when the home is broken up later.

Give a child all the spending money he wants. Never let him earn his own money. Why should he have things as rough as you had them?

When he gets into real trouble, apologize for yourself by saying "I never could do anything with him."

Prepare for a life of grief. You will be likely to have it.
